Dear Mr. Park,

Thank you for your excellent and professional work in the demolition of 2211 Farougi Court in Herndon. As you must be aware, the Fairfax County Blight Abatement Program relies on quality contractors such as Tysons Service Corporation of Virginia to eradicate longstanding nuisance buildings in otherwise healthy neighborhoods. Your professional services were an integral part of this process.

The demolition was performed professionally and safely. The clean-up was impeccable, and the neighbors were very grateful for the speed of the operation.

Please accept my gratitude and appreciation on behalf of Fairfax County and my district. I hope we can continue to count on your partnership in the future.

Sincerely,

John Foust
Dranesville District Supervisor
