Dear Jim:

On behalf of the Town of Vienna and our residents, I wanted to personally thank you for the outstanding demolition and grading job you did at the Vienna Town Green. We were all most impressed with the quality work your company, and especially your employees, did. Each day your staff worked diligently and professionally making sure that the site was kept clean and orderly. The neatly stacked piles of recyclable materials were a great example of how to efficiently complete a demolition job. It is safe to say it was the cleanest demolition site that I have ever seen.

Your coordination with Town staff was greatly appreciated and you have drawn rave reviews from both the Town Manager and the Parks and Recreation Director. We can only hope that the construction of the park goes just as smoothly. Again, please extend our thanks and appreciation to your staff and we hope to be able to work with you again in the future.

Sincerely,

**M. Jane Seeman
